

Housekeeper

Hourly Rate £9.16 per hour

We are looking for experienced Housekeepers to join our residential home in Wakefield, providing the very best care for elderly residents.

You will work a mixture of day shifts, on a 2-week rolling rota, working one weekend out of the two. Flexibility is required to support the needs of our residents.

The role of Housekeeper will include

- Ensure cleaning products are used effectively and instructions are followed.
- Ensure health and safety procedures are followed at all times.
- Identify and report any signs of abuse.
- Ensure washing is done in line with instructions

Benefits

- 2 weeks comprehensive induction
- Career development opportunities
- Paid DBS
- Employee Assistance Programme (EAP) – 24/7 support helpline
- Equivalent to 5.6 weeks holiday (pro rata based on hours worked)
- Uniform provided
- Access to free parking on site

Experience/Qualifications:

- Ability to work as part of a team and individually.
- Time management.
- Strong interpersonal and empathy skills.
- Ability to prioritize and plan around resident's needs.
- Previous cleaning experience and knowledge is desirable.
- Customer service level 2 is desirable

COVID-19 considerations:

We take stringent steps to ensure we are following strict protocols to keep staff and residents safe with PPE being readily available along with regular testing (PCR test weekly and LFD test twice a week).

To apply, please send your CV along with a cover note detailing the role you are applying for and your required weekly hours to careers@autographcare.care
